### BLUE SKINNED AVATAR KRISHNA AND SILVER VIAGRA— CAPT AJIT VADAKAYIL

**Note : Lord Krishna was a God -- so the reference to him as a mere mortal-- is tongue in cheek.**

There is lot of speculation on the subject why is Krishna blue skinned, while Rama was fair skinned.

The avatar of Vishnu , Krishna was born in a prison cell in Mathura in 4000 BC. He was smuggled out to Gokulam in Vrindavan forest to save him from the king who knew , who would kill him.

Krishna was EXCESSIVELY fond of sweet curd and diary sweets. He was not born blue.

It is a very old vedic tradition in India to use silver foil to cover hard diary sweets , and to use negative ions of colloidal silver for antimicrobial action, to improve metabolism ( to prevent obesity ) , to speed up oxidation of Serotin ( an ancient Viagra for sexual drive ) .

Before you read further do a simple experiment. Take two glass containers of milk, put a silver coin in one of them only and see which container becomes curd first. After all seeing is believing. Use your sense of smell and taste too.

Kings when they set out on long war campaigns used silver containers to prevent algae in their potable water . They used the same water to rinse their eyes in case of infection. Soviets used it on recycled water in their space stations, all lifted from Vedic traditions. NASA went a step further by installing a silver water filter system.

Silver foil is tasteless, edible and harmless when consumed in reasonable amounts . However if you consume too much it is poisonous, and can cause your SKIN TO BECOME BLUE PERMANENTLY LIKE A TATOO ,DUE TO ARGYRIA FOR IT IS A HEAVY METAL .

However , Silver is the only metal that is not included in the heavy metal poisoning manual list. In order to get rid of the silver charge, the body walls off the silver ions in cells. This happens due to a rare body condition. Few people who consumed excessive silver coated mouth freshner Jintan balls and Silver “ Nitrate” medicine had this condition.

Same can be said of Oxygen and pure water too. If you drink too much water, your will die of brain shutdown due to electrolytic imbalance . If you consume too much oxygen your hypothalamus goes to overdrive dumping massive amounts of hormones and neurotransmitters into your blood stream , and you will die.

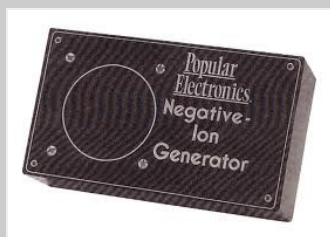

Silver colour has the property of being the best reflector of heat. Nowadays we use plastic to cover an edible item from bacteria , fungus and virus. Silver foil did the same thing, with the bonus that it is also the best reflector and poorest radiator.

Ayurveda used colloidal silver for curing urinary tract and vaginal yeast infections and treating various diseases including Cancer, Alzhiemers disease, Parkinsons disease, Rheumatism, Arthritis ( dispersal of calcium ) , Diabetis , Colitis, food poisoning , Tetanus etc. Negative ions give clarity of thought and energy. Nike uses silver to deodorise basketball shoes.

In ancient days silver was the official antibiotic and antiseptic. Negative ion generators , basically OXYGEN ATOMS WITH AN EXTRA ELECTRON -- are available in the market to combat free radical causing Asthma , hypertension, Inflammation, Rhinitis, Bronchitis etc.

In chemistry, FREE RADICALS radicals are atoms with unpaired electrons on an otherwise open shell configuration. These unpaired electrons are usually highly reactive. Free radical damage within cells has been linked to a range of disorders including cancer, arthritis, atherosclerosis, Alzheimer's disease, and Cell suicide, or

Free radicals are very unstable and react quickly with other compounds, trying to capture the needed electron to gain stability. Generally, free radicals attack the nearest stable molecule, "stealing" its electron. When the "attacked" molecule loses its electron, it becomes a free radical itself, beginning a chain reaction.

Once the process is started, it can cascade, finally resulting in the disruption of a living cell. Environmental factors such as pollution, radiation, cigarette smoke and herbicides can also spawn free radicals. Antioxidants neutralize free radicals by donating one of their own electrons, ending the electron-"stealing" reaction.

Colloidal silver has an electrical NEGATIVE ionic charge ( anion ) , which disables certain enzymes. Silver invades diseased cells to destroy pathogens and immediately flush it out . It neutralises free radicals.

Silver can remove dust which are positively charged. Positive ions are " takers" and have a exhausting and draing effect on the human body. A water fall mist or seashore spray emanates " givers" negative ions, drawing mystics and creative people for the Alpha state.

Negative ions in the blood stream accelerate the delivery of blood to the cells.

Remember, broad band antibiotics are effective against a dozen organisms ( till they become resistant super bugs ), while silver is effective against about 700. The wealthy ate with silver spoons. The vedic soldiers used catalyst silver foil on their skin abrasions and burns.

NO MICRO ORGANISM CEN EVER STAY ALIVE AGAINST COLLOIDAL SILVER. It is safe for pregnant women, being an electromagnetic process.

James Cameroon got his inspiration for a blue Avatar from Krishna.

And remember if you use silver as Viagra to satisfy hundreds of gopikas in Brindavan ( as per fake stories injected the white historian ) , you can become blue. Same if you burn too much/ too often Silver Iodide in Vedic homam's to seed clouds and produce rain.

hi chetan chandra,

yes--negative ion generator cum ozone generator is the best for your allergic asthma. you get this in the market. this is compulsory in russian hospitals.

i will be posting on tulsi tomorrow.

Captain, how effective is a gold chain that one wears around one's neck? I heard Gold is also like Silver, negative ion giver and this is why kings used to wear so much gold ornaments around them. Is this true?

hi raja,

when i was born, as per our custom a honey and ayurvedic herb WAYAMBU is put in a hard stone bowl and the a gold ring is rubbed to shed gold atoms.

this breaks down the protein energy force, known as the mitochondrial membrane, which surrounds the low charge cancer cells.

gold jewellery keeps you CENTRED to the universal force.

and of course it does not tarnish , like other metals.

hi sd,

Only shiva had the capacity to drink this poison.

Blue is the colour of infinite and deep .

The real colour is shyama—blackish blue—like the ocean at dawn.

You must remember that brahmAn ( advaita Hinduism ) is empty space—the morphogenetic consciousness field.

Whatever is immeasurable is perceived by the human eye with limited bandwidth only as blue.

hi sf,

The west puts pictures of Naga sadhus at Kumbh mela , as covered with ash. Yes, ash it is – but it is volcanic ash—NOT fire place ash.

This is NOT pagan superstition.

Ayurveda observed wild animals eating Bentonite clay ( Multani Mitti ) to remove poisons from their systems or during times of illness ( heavy metals, impurities, and chemicals).

Bentonite clay is highly effective at killing MRSA as well as Salmonella, E.Coli and others.

The clay kills the infection, it and the bacteria is unable to develop a resistance to it as it does with antibiotics.

This clay has a very fine, velveteen feel and is odorless and non-staining—and is basically aged volcanic ash.

Bentonite Clay is a unique clay due to its ability to produce an ELECTRIC STATIC CHARGE when hydrated and beaten into a slurry.

This clay a strong NEGATIVE CHARGE which bonds to the positive charge in many toxins.

Bentonite also helps get OXYGEN to cells as it pulls excess hydrogen and allows the cells to replace it with oxygen instead.

It is used as facial packs to prevent acne and to suck out oil and parasites from skin pores. You feel nice and cool.

It has an alkalizing effect on the body and when taken correctly, it can help balance gut bacteria.

It can neutralize digestive disturbances like acid reflux, constipation, bloating, gas, vomiting and diarrhea etc.

Healing clays like Bentonite have a high concentration of minerals including silica, calcium, magnesium, sodium, iron, and potassium.

STOP PRESS:

Narendra Modi made a great deal of the Muslim Julaha weavers in Varanasi , when he went for his election registration.

Of course the FAKE oet KABIRDAS ( died in 1518 AD ) invented by Rothschild and back dates to Moghul rule era , GOT a terrific boost.

Like Lord Krishna of 4000 BC, our man Kabirdas was merrily floating on as a lotus leaf ( not basket ) down the Ganges , found by a Muslim weaver coupe ( Niru and Nima ) at Varanasi. He was of IMMACULATE CONCEPTION like Jesus Christ.

Just like for Guru Nanak, when Kabirdas died Hindus and Muslims started fighting as to who will cremate him ( sic ) –but hey presto just like Guru nanak the body disappeared and all they got was a basket of flowers half of which the Muslims buried and the other half the Hindus cremated.

Wonder why Hindus fought , for Kabirdas preached against all tenets of Hinduism

including temples , and Hindu scriptures like Vedas/ Upanishads

The entire DASA series I studied in school in my NCERT poetry book ( Durgam Path Ki Rahi – dohas and shailis ) are Rothschild's back dated creations.

Rothschild included Kabirdas hymns via fifth Sikh guru, Guru Arjan Dev, into Guru Granth Sahib. The verses of Kabirdas are generously present in Gurbani . Rothschild got some Sikh scholars to argue that Kabirdas is the originator of Sikhism.

Varanasi was also home to SURDAS ( dies in 1584 AD ) . Surdas extolled the virtues of the FAKE Radha , the mistress of Lord Krishna who never existed. Rothschild included hymns of Surdas in the Guru Granth Sahib of the Sikhs .

Let me quote Wikipedia

QUOTE ---Surdas also attained fame for his purity of devotion towards Lord Krishna. In one incident, Surdas falls into a well and is rescued by Lord Krishna when he calls him for help. Radha asks Krishna why he helped Surdas for which Krishna says its for his devotion. Krishna also warns Radha not to go near him. She however goes near him but Surdas, recognizing the divine sounds, pulls her anklets. Radha tells him who she is but Surdas refuses to return her anklets stating that he cannot believe her as he is blind. Krishna gives Surdas vision and allows him to ask for a boon. Surdas returns the anklets says he has already got what he wanted (the blessings of Krishna) and asks Krishna to make him blind again as he does not want to see anything else in the world after seeing Krishna. Radha is moved by his devotion and Krishna grants his wish by making him blind again thus giving him everlasting fame- UNQUOTE

Oh boy !!!

Hey, what about chamar caste RAVIDAS?

He was also Varanasi material who died in 1518 AD . In Guru Granth Sahib, many devotional hymns of Ravidas are present. Meera considered Ravidas her guru. Meera sang the praises of the FAKE non-existent mistress of Lord Krishna Radha. Ravidas's verses are also enshrined in the Guru Granth Sabeh, the supreme holy book of the Sikhs.

hi ac,

just because you asked me this simple question-- i shall spill out some ancient indian secrets. mind you, very soon some white man will patent all this.

Why do you think the only possession of a Hindu rishi was a cloth langot, a wooden staff to hold his hand while he manipulated the 108 rudrakha bead mala and a copper lota?

Langot was to cover his balls, right? No contest here.

108—is a magic number.

Before the rishi did his morning pranayama , to boost the nitric oxide in his body, he did nasal irrigation ( jal neti ) using the ganges water in his copper pot. He just sucked in copper colloid laden water through his nose and expelled it from his mouth.

The rishi always drank water from this copper lota .

What does copper colloids do as per 6000 year old ayurveda ? pray ?

IN THE ABOVE LINK THE IMMORAL NEWSPAPER TIMES OF INDIA TELLS A LIE THAT KRISHNAs AND BALARAMAs WIFE COMMITTED SATI .

EVERY SINGLE POST ON HINDUISM IS INJECTED WITH POISON-- THEY SLIP IT IN BETWEEN .

krishna's and balarama's wife actually self immolated with many other women when arjuna could not protect them after dwaraka sank. they were on the way from dwaraka to indraprasta -- a very long distans. through the forests.

all the yadava men has beaten each other to death using the long grass on sea shore -- which grew out of iron powder ( iron mace from krishna's son samba's stomach )

there were hundreds of women and only one man to protect them -- and the hunters were carrying many beautiful women away -- so all of them jumped into the fire --

ARJUNA HAD FORGOTTEN ALL HIS MENTAL PASSWORDS AND COULD NOT USE HIS ARROWS ( MISSILES ) .

THE WHITE INVADER CREATED FALSE STORIES THAT ALL ANCIENT HINDUS KINGS WHO TOOK SANYAS , AFTER THE VANAPRASTA STAGE GOT OVER ) CONVERTED TO GOODIE GOOD BUDDHISM / JAINISM --JUST BECAUSE THEY HATED EVIL HINDUSIM ..

THEY HAD WEDGED OUT SHIVA FOLLOWERS ALREADY ( VEERASHAIVA LINGAYATHS ) BY FAKE STORIES AND MADE THEM BURY THE DEAD .

USING THEIR STOOGES LIKE BR AMBEDKAR THERE WAS A SLIMY ATTEMPT TO CONVERT BUDDHA AS THE 9TH AVATR OF VISHNU. BUDDHA WAS A MORTAL OF GAUTAMA GOTRA WHO STRUGGGLED FOR SALVATION.

THE WHOLE IDEA WAS TO CONVINCEN THE RAM AND KRISHNA BHAKTS ALSO TO BREAK AWAY FROM MOTHER RELIGION HINDUSIM—

SEE, IF THE FOLLOWERS OF 9TH AVATAR OF VISHNU, BUDDHA CAN DO IT ( SIC ) — WHY CANT YOU RAM AND KRISHNA FOLLOWERS, WHO ARE ALSO FOLOWERS OF AN EARTHLY AVATAR OF VISHNU ?

WHEN THEY COULD NOT DO THIS—THEY PAINTED LORD KRISHNA AS AN IMMORAL WOMANISER WITH A MISTRESS RADHA .

SORRY, RADHA NEVER EXISTED .

THEY PAINTED LORD RAM AS A HEARTLESS HUSBAND WHO ABANDONED HIS PREGNANT WIFE.

SORRY , THIS STORY WAS INVENTED AND BACK DATED BY THE IMMORAL WHITE INVADER OVER BRANDY AND CIGARS.

IT WONT WORK !

THIS IS WHY THIS BLOG SITE WAS CREATED – TO PIN THE LIE –

hi m81,

QUITE INTERESTING !

<http://www.reformation.org/joevialls.html>

But you cant do it from one spot.

An earthquake or a tectonic shift can be triggered by a RESONANT electromagnetic frequency of 7.83 hertz ( the frequency of the Hindu king mantra OM ) at critical points .

OM is related to the golden mean 1.618 . It is one of the resonant frequencies of the shank which is compulsory in Hindu temples.

The innards of the conch creates the sound is shaped by brahmAn, the morphogenetic consciousness field.

The sound of the sea when you listen to the conch held to your ear is the sound of the Zero Point Field or Scalar Field or Brahman or OM. In Hindu temples before and after a puja or arti the shank is blown.

When Lord Dhanwantari ( the God of Ayurveda ) rose from the bottom of the ocean, and in his arms was one priceless object- the conch..

Just before the Mahabharata war in 4000 BC, Lord Krishna blew on his Panchajanya shankh, striking terror in the Kaurava camp hearts—waking up this whole world , by resonance .. This sound went all around the world like a soliton carrier wave , using the ionosphere as a wave guide.

Punch into Google search-

FLIGHT OF THE VEDIC VIMANA VADAKAYIL

On second thoughts – from now on, I will NOT reveal anymore about galactic resonances. Too many monkeys around .

When I wrote the post avobe I was the subject of vitriolic sarcasm and biting ridicule.

Well, what do the spent battery torches who challenge the sun know? the post above is my BEST post and I cannot exceed that ever .

I have NOT told the whole thing .

I shall say NO more !

See all these are signs-- when i wrote my karva chauth post same thing happened ! I was attacked by wannabe goragaands -- and that was a SIGN.

hi bz,

THE IMMORAL WHITE INAVDER WANTS TO SHOW THAT GANDHARI COULD NOT KEEP HER LIFE LONG PENANCE OF BLINDFOLDING HERSELF.

THIS BANANA LEAF COVERING THE CROTCH BULLSHIT DOES NOT EXISTS IN THE VALMIKI RAMAYAN.

In the 17th night Duryodhan fell on his mothers feet in sheer depression. Through a little space in the cloth, even as Gandhari he turned her face away, her eyes fell on the toe of the prostrate Yudhishtira. At once, the toe was charred black.

On the 18th day, after Shalya's death, Duryodhana fled the battlefield, all hope of winning lost. His whole body was burning in indignation and he felt he would go mad. He dipped his head in the cool lake waters .

When he surfaced he saw Yudhishtira looking at him. Yuddhistra made him an offer to pick any of the Pandavas to fight with a weapon of his choice, and that if he defeats him, he shall be deemed the victor of the war. Duryodhana picked his arch nemesis Bhima over the other Pandava brothers (whom he could have effortlessly overwhelmed with his skill at fighting with the mace) to ensure a fair fight.

This was the reason why Duryodhan reached Vaikunta before Yuddhistra .

After a long and brutal battle, Duryodhana began to exhaust Bhima. It was certain that Bhima would die soon.

At this point, Krishna called out to Bhima by repeatedly clapping his thigh to signal to him Duryodhana's weak spot.

Understanding the signal, and even though it was illegal to attack below the waist in mace-combat , Bhima viciously attacked Duryodhana in the groin, fatally wounding him and leading to his death in the night.

When the war was nearing its end, Balarama arrived at Kurukshetra after completing his tour of holy places. He came just when Bhima and Duryodhana were engaged in their last mortal combat.

Balarama saw his brother Krishna slapping his thigh, and Bhima aiming the deadly blow which broke Duryodhana's thighs.

His anger flamed up at this great breach of the rules of single combat.

"Fie upon you all! Would any kshatriya hit below the navel?"

This Bhima has offended the law most disgracefully," he exclaimed and impatiently going up to his brother Krishna, shouted:

"You can look on and tolerate all this. But I cannot bear to see such unclean fighting!" Saying this he advanced towards the offending Bhima with upraised plough. The plough was Balarama's weapon on supreme occasions, as the discus was Krishna's. Krishna was alarmed when he saw his elder brother advancing in a passion towards Bhima.

Krishna rushed forward and, intercepting him, said:--

"The Pandavas are our friends and closest relations. They have been the victims of insufferable wrongs at the hands of Duryodhana. When Draupadi was insulted in the Assembly Hall, Bhima vowed: 'I will one day in battle break the two thighs of Duryodhana with this mace and kill him.' He proclaimed this solemn oath at that time and everyone has known it.

It is the duty of a kshatriya to fulfil the vow he has solemnly taken. Do not let your anger

mislead you and do not be unjust to the innocent Pandavas. You should, before condemning Bhima, take into account all the wrongs that the Kauravas have done to the Pandavas. Nothing but error can result if one proceeds to judge conduct without taking into account the chain of events leading up to it.

You cannot snatch a particular act out of its context and proceed to give judgment on it alone without gross injustice. The era of Kali has arrived, when the laws of a previous age cannot apply.

It was not wrong for Bhima to strike below the navel an enemy who had wickedly contrived against his life on many occasions.""

BUT THE FACT REMAINS THAT BHRIMA CHEATED ON BEING GOADED ON BY KRISHNA.

THE FINEST FLOWER OF CHIVALRY WAS ALREADY CRUSHED !

hi as,

i will tell you, provided you spread this around--

RADHA is FAKE poison injected by the white invader using his FAKE DASAS --all created and back dated.

They used ancient works of unknown poets , poison injected them and gave authors name as DASA--.

The Sikh Adi Granth is packed with DASA verses.

Bhagavata Purana 10.59.42-- is poison injected :

atho muhUrta ekasmin  
nAnAgAreSu tAH striyaH  
yathopayeme bhagavAn  
tAvad-rUpa-dharo 'vyayaH

" Then the imperishable Bhagavan [ Sri Krishna], assuming a separate form for each bride, duly married all the princesses simultaneously, each in her own palace."

This alludes to 16,000 virgins ( gopikas ).

16000 gopikas never existed-- for it is an allegory.

SAHASRARA CHAKRA is a 1000 petalled lotus -- each with 16 kalas or aspects --this works out to 16000 .

this is NOT some girl who has sex with Lord Krishna --taking turns.

Narakasura kidnapped 16000 damsels --and Lord Krishna saved these damsels in distress.

this is just an allegory.

like Banasura the son of King mahabali - killed by Krishna ---though his great gandfather hiranyakashipu was killed thousands of years before by narasimha avatar . it refers to a cosmic allegory.

banasura wanted to fight shiva and shiva told him, he will have to wait till krishna is born -- thousands of years later --and he was sulking till then.

this banasura was an allegory for BINARY STAR-- described in Section 10.59.33-45 of the Bhagavata Purana

<http://ajitvadakayil.blogspot.in/2011/02/nibiru-planet-x-is-not-marthanda-source.html>

SO THE WHITE INVADER WROTE OVER BRANDY AND CIGARS -- AND GOT IT PROPAGATED BY HIS FAKE MUTTS-- THAT HINDUS MUST GET MASSAGED BY A DAMSEL -- THIS IS NONSENSE !

MIND YOU, HINDUS ARE STILL GETTING MESSAGES -- THEY GAMBLE GET DRUNK AND GET MASSAGED ( WITH SPECIAL SERVICES ) ALA THE GOPIKAS.

THE WHITE INVADER WROTE -- ON NARAKA CHATURTI HINDUS MUST LIGHT DIYAS FOR YAMARAJ ( THE DEVIL ) -- AND IGNORANT HINDU WOMEN ARE STILL DOING IT.

THIS IS WORSE THAT KALASH PATRA BEING IMPALED BY A POLE ON GUDI PADWA BY CHITPAVAN JEWS -NAY- BRAHMINS --AND STUCK OUTSIDE THE WINDOW --

mind you gaddafi's anus was imlaed by a AK-47 rifle barrel before he was killed like a mad dog on the streets.

kalasha patra is full of divine wisom--it is NOT meant to be impaled and stuck outside the window --

how much the white invader must have chuckled over his brandy and cigars.

<http://ajitvadakayil.blogspot.in/2013/05/kalasha-symbol-of-cosmic-womb-capt-ajit.html>

there is NO hell in sanatana dharma-- we have bad karma and re-incarnation/moksha .

Nara-ka" means one who is opposed to the Atma. Naraka does not mean hell.

narakasura is bullsh#t.

so wikipedia can go to hell-

QUOTE : Naraka Nivaran Chaturdashi(popularly known as Naraka Chaturdashi) is a Hindu festival, which falls on the second day of the five-day long festival of Diwali. The Hindu mythology narrates that the asura (demon) Narakasura was killed on this day by Krishna and Kali. : UNQUOTE

the fake hindu mutts of R has screwed bharatmata.

SO ADITI--

ARE YOU GONNA READ AND FORGET ?

OR ARE YOU GONNA SPREAD THIS INFORMATION AROUND ?

really, i have been replying to comments made by DESH DROHIS and WORTHLESS INDIANS --wasting my precious time.

They have even gone to the extent of saying that our army jawans are wasting water by playing Holi. . .

Holi is the greatest leveler in India, where an ordinary Jawan can walk up to a General and spray colour on him and the General reciprocates by putting colour on the Jawan and hugging him. . .

During Holi celebrations there are no caste , gender, age , creed and financial status divides. All are equal. These celebrations have been going on for 6000 years .

It is stress busting time. The atmosphere is electric with fun and joy. People dance, sing songs and beat drums.

The government does NOT arrest people who had Marijuana or Cannabis ( Bhang ) as long as they are not disruptive. . .

Enemies have heart to heart talks and make up on this day. Holi is celebrated on the day after the full moon in early March and glorifies good harvest and fertility of the land . . .

Holi has NOTHING to do with Radha the FAKE and back dated creation of Rothschild. . . Nobody heard of Radha the mistre#s of Lord Krishna till the white invader came to india . . .

Dear sir,

My life has changed after becoming your blog reader regularly.

Is it safe for kids and adults to take colloidal silver drops mixed with water occasionally like monthly?

What is the difference between nano silver and colloidal silver. I have seen both available in Amazon as drops.

I also heard oil pulling with colloidal silver mixed as beneficial to health of teeth . (More than traditional oil pulling)

I know a friend who takes 1/3 tsp twice daily and swears by it.

Please advise.

hi iat,

unless children have a problem there is NO need to give them colloidal silver.

for optimum function of body immunity, everyone needs Nano-Silver circulating in their bloodstream.

a nanometer is one billionth of a meter, which is about 1/100,000th the width of a human hair

because of its superior effectiveness against pathogens, nano-scale silver is now widely used in colloidal silver products.

a staphylococcus bacteria resistant to antibiotics is roughly 40 times the size of the small Rhinovirus which causes cold. --it is an easy victim of Nano-Silver.

because of the potency of Nano-Silver, one can take less than the 350 mcg/day allowed by EPA as a maximum daily reference dose and still maintain a robust component of bio-available silver in the bloodstream.

Nano-Silver is pure de-ionized water with silver (Ag) in suspension. Approximately 80% of the silver is in the form of metallic silver nano-particles. The remaining silver is in ionic form.

Though similar to colloidal silver, generally, a colloid is a suspension of particles of from 10 nm to 1 micron in diameter and the silver particles in Nano-Silver are less than 2 nm in diameter and therefore too small to be considered in "colloidal" suspension. They are rather, in a "nano-suspension," a much more stable state.

20 PPM concentration of silver in Nano-Silver provides more effectiveness inside the body than silver solutions in the colloidal class, of many times greater concentration.

Only metallic particles survive the hydrochloric acid of the stomach to remain effective inside the bloodstream and body tissue. Most colloidal silver solutions are no more than 5-10% particles with the remainder in the form of ions.

hi rk,

people ask me --

how do you know the FAKE and BACKDATED CREATIONS OF JEW ROTHSCHILD

how do you know, if something is poison injected

most MEGALOMANIACS with warped DNA leave a SIGNATURE . it is a compulsion -- a personality disorder . .

today if maradona / usain bolt puts a SIGNATURE it becomes an AUTOGRAPH --it shows ETHOS.

till today-- each and every SERIAL CRIMINAL has left a signature like DASA. .

Crime scenes reveal personality types in terms of showing an orderly, socially competent, intelligent , POWERFUL personality vs. a disorderly or socially immature DORK personality.

INTELLIGENT AND POWERFUL serial criminals leave a SIGNATURE--

it is a COMPULSION.

he needs to leave a personal stamp-- a fantasy-driven ritual based on a psychological need.

it is akin to a talented painter signing with a flourish as the end of his work.

A western killer always left FOUR slanted parallel stab wounds, on the neck. One killer always ejaculated on the pubic hair.

Modus operandi is the method that is used to commit the crime and signature behavior is what helps to serve the criminal's emotional and psychological needs.

Signature behaviors are those acts committed by an offender that are not necessary to complete the offense.

MODUS OPERANDI refers to what the serial killer must do to commit the crime.

I KNOW R's MODUS OPERANDI-- how he uses authorless ancient works and injects poison into them-- how he took sanskrit pundits to england , forced them to cook up false verses --if they do not do that, there is NO coming back to India and getting cremated.

these pundits were NOT idiots--they changed the METER --i know how to detect these prosody qualitative/ quantitative meters or CHANDAS .

Gayatri / 24 syllables; 3 verses of 8 syllables  
Anushtubh/ 32 syllables; 4 verses of 8 syllables  
Pankti / 40 syllables; 5 verses of 8 syllables  
Tristubh/ 44 syllables; 4 verses of 11 syllables  
Jagati / 48 syllables; 4 verses of 12 syllables

There are several minor meters too.

PEOPLE THINK IT IS A GREAT THING TO MAKE A VERSE WITH A METER.  
BALLS!

KUMAR VISHWAS DOES THIS HOTCH POTCH WITH HIS CHOOT --LUND VERSES .  
THE RUSTIC IIT KANHAIYA KUMAR TYPES GET HAJAAAAR IMPRESSED.

Mera apna tajurba hai,

koi lab choo gaya tha tab,  
ke ab tak gaa raha hoon main.

bichur ke pyar mein kaise jiya jaaye bina tadpe  
jo mai khudh hi samjha wahi samjha raha hoon.

Jew Rothschild used DODA for many of his BHAKTI movement FAKE AND BACKDATED poets. It is an independent verse, a couplet, the meaning of which is complete in itself

A doha has two lines, each having 13+11 morae (6+4+3) + (6+4+1) and with its last words ending in a rhyme; it is one of the shortest quantitative metres.

In school ( Kendriya Vidyalaya ) I studied a book of Hindu poems DURGAM PATH KI RAHEE—all of Rothschild's fake poets. Even as a 15 year old boy, I smelt a rat.

Because it was similar to a Greek Hexametre, ( HOMER'S WORKS ) which is a hotch potch two hexametres in one line

People who know – can find out which is SRUTI , which is REAL SMRITI and which IS CHOOT LUND ROTHSCHILDS FAKE DASA STUFF.

THE SILVER FOIL USED IN 6200 YEAR OLD AYURVEDA AND KALARI IS FAR MORE EFFECTIVE AND IT USES THE SAME ELECTRICITY PRINCIPLE. . .

Silver sutures to close incisions in surgeries after vaginal tears post child birth in Ayurveda

..

2% silver nitrate solutions were used commonly to treat bad bacterial infections

Silver coated catheters were used . .

Silver impregnated products, which provide a sustained release of silver ions at the wound surface, can promote wound healing and decrease infection by killing bacteria.

Silver particles found in colloidal silver are negatively charged, not positive like the ions.

Silver particles that are suspended in pure water to form a colloid will assume a negative charge that is called the zeta potential.

The silver ion (Ag+) is bioactive and in sufficient concentration readily kills bacteria in vitro.

In metallic (elemental) form, silver is unreactive and cannot kill bacteria. To become bactericidal, silver atoms must lose an electron and become positively charged silver ions (Ag+).

Elemental silver ionises in air, but ionises more readily when exposed to an aqueous environment such as wound exudate.

In contrast, silver compounds contain positive silver ions bound to negatively charged ions or molecules. When exposed to aqueous environments, some of the silver ions become detached from the compound.

Silver ions are highly reactive and affect multiple sites within bacterial cells, ultimately causing bacterial cell death. They bind to bacterial cell membranes, causing disruption of the bacterial cell wall and cell leakage.

Silver ions transported into the cell disrupt cell function by binding to proteins and interfering with energy production, enzyme function and cell replication.

Silver ions are active against a broad range of bacteria, fungi and viruses, including many antibiotic-resistant bacteria, such as methicillin-resistant Staphylococcus aureus (MRSA) and vancomycin-resistant Enterococci (VRE)

Silver reduces bacterial adhesion and destabilises the biofilm matrix, as well as kills bacteria within the matrix and increase susceptibility of bacteria to antibiotics .. Silver is not absorbed into the central or peripheral nervous systems.

Dharma Sansthapana

December 24, 2016 at 1:02 PM

Namaste Captain

was prabhupada a genuine guru ? or was it all pre planned, he traveling to west and spreading Krishna consciousness ?

in his later days he made many comments on governments cheating people , he opposed paper currency fraud and recommended gold standard ,self-sufficient farm communities etc ,

HE WAS CALLING KRISHNA-- THE ULTIMATE GOD OF SANATANA DHARMA

KRISHNA IS JUST AN AVATAR OF VISHNU--

THOUGH KRISHNA CAME ON EARTH TO KILL DANTAVAKRA AND SHISHUPAPA-- HIS MAIN UNWRITTEN AIM WAS TO ELIMINATE GENETIC ENGINEERED KAURAVAS

CHAITANYA MAHAPRABHU IS A JEW ROTSCHILDS CREATION. THIS FELLOW NEVER EXISTED.

PRABHUPADA WENT AROUND LYING THAT CHAITANYA WAS A AVATAR OF VISHNU

BALLS !

PRABHUPADA IS GUILTY OF PROMOTING RADHA , THE MISTRESS OF KRISHNA WHO NEVER EXISTED.

BEFORE THE WHITE INVADER CAME TO INDIA NOBODY HEARD OF RADHA

Jew Rothschild inserted a POISON INJECTED chapter CHaitanya Upanishad --in the Atharvaveda

Today Gaudiya Vaishnavas, revere Chaitanya baby as a Krishna with the mood and complexion of his source of inspiration Radha.

FAKE Chaitanya Mahaprabhu kept singing the praises of Radha.

<http://ajitvadakayil.blogspot.in/2013/01/advaita-vedanta-philosophy-adi.html>

ALL RIDICULE HINDUS AS IDOL WORSHIPPERS.

THIS IS ABSOLUTELY WRONG

THE GOD IN SANATANA DHARMA ( ADVAITA ) IS THE MORPHOGENETIC CONSCIOUSNESS FIELD OF BRAHMAN WHICH CANNOT BE LICKED UP BY THE 5 HUMAN SENSES --

FROM WHICH ISLAM STOLE THE CONCEPT OF ALLAH.

THE CONCEPT OF DVAITA VEDANTA IS TOO BRILLIANT FOR MOST PEOPLE TO EVEN COMPREHEND.

<http://ajitvadakayil.blogspot.in/2013/05/dvaita-vedanta-of-sanatana-dharma-or.html>

THE THIRD TEMPLATE OF SANKHYA IS NOT UNDERSTOOD AT ALL

Tattva is a Sanskrit and Malayalam word meaning 'principle', 'reality' .

The Sankhya-Yoga system divides all knowable phenomena into 25 Tattvas.

<http://ajitvadakayil.blogspot.in/2013/05/sankhya-philosophy-of-hinduism.html>

PEOPLE STEAL FROM HINDUISM AND THEN RIDICULE US

LET THEM

NOBODY HAS UNDERSTOOD SANATANA DHARMA SINCE ADI SHANKARACHARYA 4000 YEARS AGO.

<http://ajitvadakayil.blogspot.in/2015/09/sanatana-dharma-hinduism-exhumed-and.html>

REMEMBER IS HAVE JUST REVEALED 24% --AFTER 71 POSTS ON MY UNFINISHED SANATANA DHARMA SERIES ( ABOVE )

TODAY ALL ROGUE GURUS ARE STEALING AND PATENTING IT IN THEIR OWN NAMES.

IN SANKHYA JEW ROTHSCHILD HAS USED HIS AGENTS LIKE PRABHUPADA TO SUBSTITUTE SHIVA / SHAKTI -----WITH KRISHNA ( A MERE AVATAR OF VISHNU ) AND A FAKE MISTRESS RADHA .

POISON INJECTED VERSES BELOW--

radha purna-sakti, krsna purna-saktiman  
dui vastu bheda nai, sastra-paramana  
mrgamada, tara gandha yaiche aviccheda  
agni, jvalate yaiche kabhu nahi bheda  
radha-krsna aiche sada eka-i svarupa  
lila-rasa asvadite dhare dui-rupa

Sri Radha is the full energy, and Lord Krsna is the possessor of full power.

The two are not different, as evidenced by the revealed scriptures. They are indeed the same, just as musk and its scent are inseparable, or as fire and its heat are nondifferent. Thus Radha and Lord Krsna are one, yet They have taken two forms to enjoy the mellows of pastimes. (Cc. Adi 4.96-98)

isvarera sakti haya e-tina prakara  
eka laksmi-gana, pure mahisi-gana ara  
vraje gopi-gana ara sabhate pradhana  
vrajendra-nandana ya'te svayam bhagavan

The energies (consorts) of the Supreme Lord are of three kinds: the Laksmis in Vaikuntha, the queens in Dvaraka, and the gopis in Vrindavana. The gopis are the best of all, for they have the privilege of serving Sri Krsna, the primeval Lord, the son of the King of Vraja (Cc. Adi 1.79,80)

SORRY -- All this bull about Radha being a mistress of Lord Krishna and all his thousands of Gopikas whom he flirted with , are all poisons injected into Hinduism by the white Christian invader. Kalidas who invented Radha never existed. Krishna did NOT have 16000 virgin gopikas in vrindavan rather 16000 are dhatus of shasrara chakra . SAHASRARA CHAKRA is a 1000 petalled lotus -- each with 16 kalas or aspects --this works out to 16000 .

this is NOT some girl who has sex with Lord Krishna --taking turns to HUMP.

Narakasura kidnapped 16000 damsels --and Lord Krishna saved these damsels in distress. this is just an allegory.

Bhagavata Purana 10.59.42-- is poison injected :

atho muhUrta ekasmin  
nAnAgAreSu tAH striyaH  
yathopayeme bhagavAn  
tAvad-rUpa-dharo 'vyayaH

“ Then the imperishable Bhagavan [ Sri Krishna], assuming a separate form for each bride, duly married all the princesses simultaneously, each in her own palace.”

This alludes to 16,000 virgins ( gopikas ). 16000 gopikas never existed-- for it is an allegory.

Namastey Capt,

I am seriously following your blogs and regarding this discussion, I want to add something like why younger INDIAN men are joining this HARE krishna movement. I need to know this who is brainwashing our young blood.

Thanks,  
Gaurav

TODAY IS MAKARA SANKRANTI AND PONGAL...

IN TAMIL NADU THE PEOPLE WILL CELEBRATE JALLIKATTU WITH OUR PRICELESS HUMPED BULLS.. ..

STRONG HUMPED BULL IS VIRTUALLY NANDI, WHOM WE MUST WORSHIP..

CAPT AJIT VADAKAYIL SAYS -- ELIMINATE ALL USELESS HUMPLESS FOREIGN JERSEY BULLS FROM INDIA.... SELL THEM ALL TO FOREIGN NATIONS FOR BEEF , CASTRATE THEM OR JUST KILL THEM ALL 100% —THEY ARE WORSE THAN PIGS..

THE "WHITE REVOLUTION" WITH HUMPLESS COWS IS THE REASON WHY EVIL PHARMA THRIVES IN INDIA...

WHEN A COW GIVES HUGE QUANTITY MILK—IT AUTOMATICALLY MEANS THE MILK QUALITY IS LESS..

GOD HAS MADE AN EQUATION BETWEEN QUALITY AND QUANTITY..

<http://ajitvadakayil.blogspot.in/2013/07/nutritious-a1-milk-of-vedic-cows-with.html>

JEW ROTHSCHILD ELIMINATED 60% OF OUR HUMPED COWS —BY KILLING THEM FOR TANNERY LEATHER .... WW1 AND WW2 TO CARVE OUT ISRAEL REQUIRED HUGE QUANTITIES OF LEATHER FOR BELTS, BOOTS, HOLSTERS , JEEP SEATS, HORSE SADDLES ETC...

FOREIGN HUMPLESS JERSEY COWS GIVE TOXIC A1 MILK, TOXIC URINE, TOXIC DUNG AND TOXIC BEEF....

VEDIC HUMPED COW GAVE PRICELESS A2 MILK, PRICELESS GOMUTRA ( URINE ) AND PRICELESS PLEASANT SMELLING DUNG FOR HUMUS TOP SOIL , WHICH BREED HEALTHY MICROBES AND EARTHWORMS....

<http://ajitvadakayil.blogspot.in/2013/02/gomutra-drinking-cows-urine-as-elexir.html>

GOMUTRA OF HUMPED COW / BULL WAS AN AGGRESSIVE "SEARCH AND DESTROY" ANTIBIOTIC IN AYURVEDA... HUMPED COW URINE SEARCHED FOR BAD BACTERIA / VIRUSES SELECTIVELY AND DISSOLVED THEIR TOUGH PROTECTIVE EXTERIOR ARMOR...

THE CONSCIOUS GOLD COLLOIDS ( NEGATIVE CHARGED ANION ) IN HUMPED COW URINE ( SURYANADI ) WERE BULLETS WHICH NEUTRALISED DISEASE CAUSING BACTERIA/ VIRUSES.... COLLOIDAL GOMUTRA GOLD ( LIKE SILVER ) IS ANTIBIOTIC / ANTISEPTIC/ ANTI INFLAMMATORY ( FREE RADICAL NEUTRALISER ).

Free radicals are very unstable and react quickly with other compounds, trying to capture

the needed electron to gain stability... Generally, free radicals attack the nearest stable molecule, "stealing" its electron. ..When the "attacked" molecule loses its electron, it becomes a free radical itself, beginning a chain reaction. ..Once the process is started, it can cascade, finally resulting in the disruption of a living cell...

CHEMICAL FERTILISERS HAVE RAPED INDIA'S HOLY TOPSOIL.. 90% OF OUR LAKES ARE DEAD IN JUST 55 YEARS OF THE DESH DROHI GREEN REVOLUTION...
